Flowserve

- Data sheets
- Operation Instructions
Control Valves
- FlowTop™, Information Sheet
- FlowAct™, Information Sheet
- SRD991 Intelligent Positioner with HART, FoxCom, PROFIBUS, F. Fieldbus or without Communication,
 - Product specifications
 - Master Instruction
- FRS923 Filter regulator, Product specifications
- SGE985 Limit switch
Product specifications
- Inductive proximity switches SJ3,5-N
Data sheet
- 3/2 Directional Control Valves
Direct solenoid operated poppet valves
Internal thread G1/4, 1/4-18 NPT or
flanged with NAMUR interface
Product specifications
- Solenoids 42xx
in protection class EEx me Category II 2 G ATEX
Product specifications
- Analogue Flow Amplifier VSR 60
