

LIST OF SUBMITTED DOCUMENTATION

Project: 148 - ASU No. 9, U. S. Steel

Building: 007 – Electrical Room T81

Certificates:

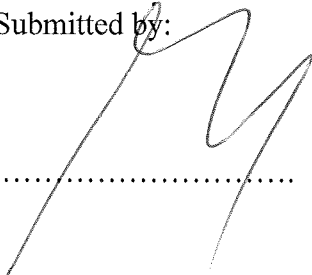

- 1) EC Declaration of Conformity No. DP-10
- 2) Certificate No. P/07832/101/1/1999 – compact fluorescent tubes PHILIPS
- 3) Declaration of Conformity – incandescent lamps with wolfram filament PHILIPS
- 4) Declaration of Conformity – fluorescent lighting appliance – industrial
- 5) Declaration of Conformity – ceiling /wall incandescent lighting appliance
- 6) Declaration of Conformity – linear fluorescent tubes
- 7) Declaration – Philips Slovakia s. r. o.
- 8) Declaration of Conformity – glow-discharge starter Philips
- 9) Certificate No. 04535/101/1/2002 - ceiling /wall incandescent lighting appliance
- 10) Certificate of Conformity Verification No. C8.1/01/0072/1/C/C08 – power cable AY, AYY, CY, CYY, H05V-U, H07V-U
- 11) Certificate of Conformity Verification No. 4305A/03/0001/1/C/C08 – power cable CYKY
- 12) Certificate of Conformity Verification No. 4305A/02/0008/1/C/C08 – power cable 1-AYKY 1-CYKY, 1-AYKE, 1-CYKE, 1-AYY, 1-YY
- 13) Declaration of the Manufacturer on Conformity Verification No. 4301C/02/0119/V/S08 – electric (wiring) box KU68/1
- 14) Declaration of Conformity – plastics switch ABB
- ~~15) Declaration of Conformity – house switch ABB~~
- 15 16) Certificate No. 06180/101/1/2002 – emergency lights SEC TMTLUX
- 17) ES – Declaration of Conformity – dustproof lighting appliances
- 18) Report on suitability test No. S08/01/0010/C8.1/SL – empty cabinet of the plastics encased distribution board
- 19) Certificate of Conformity Verification No. A 10.1/01/0047/1/C/C08 – heating cable DEVIFLEX
- 20) Certificate No. 00506/101/1/2005 – components of lightning-conductor systems
- 21) Declaration of Conformity – socket outlets IP 44
- 22) Authorization Certificate of the Company HS HSV s.r.o.
- 23) Certificate of Conformity Verification No. A 2.4/00/1268/1/C/C04 – masonry mortar BAUMIT MM50
- 24) Certificate of Conformity Verification No. A 2.4/00/1265/1/C/C04 – fining white coat plaster BAUMIT
- 25) Certificate of Conformity Verification No. 3902C/03/0354/1/C/C04 – silicate plasters and coating substances BAUMIT SILIKAT
- 26) SK – Declaration of Conformity – CERESIT CM 11 – cement gluing mortar, type C1T
- 27) SK – Certificate of Conformity SK04-ZSV-0014 – welded reinforcing meshes
- 28) Certificate of Conformity Verification No. A 1.5/01/1414/1/C/C04 – plain dense concrete
- 29) Certificate of Conformity Verification No. 1801B/03/0062/1/C/C04 – elements of reinforced-concrete structure STRONG ES MIBET

- 30) Certificate of Conformity Verification No. A 2.1./00/1213/1/C/C04 – transversely perforated brick “POROTHERM”
- 31) Certificate of Conformity Verification No. 2601A/04/0579/1/C/C04
- 32) SK – Declaration of Conformity No. 34/2005 – concrete C 16/20 – XO(SK)
- 33) Certificate of Conformity Verification No. A 8.1/01/1351/1/C/C04 – anti-fire fillings of cable wall-through spots “PYROSTOP”
- 34) Certificate No. C-03-1034/Z – insulating foam-polystyrene plates EPS 150
- 35) ES – Declaration of Conformity - insulating foam-polystyrene plates EPS 150
- 36) Certificate of Conformity Verification No. C 4.7/01/0062/1/C/C04 – floor system “MASTERTOP”
- 37) Enclosed documentation of the fire-stop seal
- 38) Instructions for use and maintenance of the flat roof
- 39) Certificate of Conformity Verification - Nobasil (plus annex)
- 40) Certificate of Conformity Verification No. 4007B/04/0509/1/C/C04 – plastics plate clip EJOT
- 41) Certificate of Conformity Verification No. 2601 A/04/0202/1/C/C04 – waterproofing asphalt strips ELASTOBIT ST H, ELASTOBIT ST
- 42) Minutes of the Test No. 694/05 – Static load bearing test - compacted ground terrain
- 43) Report No. 483/05 to the Minutes No. 694/05
- 44) Minutes of the Test No. 697/05 - Static load bearing test - compacted ground terrain
- 45) Report No. 486/05 to the Minutes No. 697/05
- 46) Certificate of Conformity Verification No. 5002 A/02/0264/1/C/C04 – hard mortar fire-stop fillings of cable wall-through spots HILTI CP 636
- 47) Record on separate testing of air-conditioning equipment
- 48) Record on training and providing instructions to the operating staff of air-conditioning equipment
- 49) Record on hand-over and acceptance of air-conditioning equipment documentation
- 50) Letter of Guarantee – AR 800 D6-2
- 51) Letter of Guarantee – KV 250 L
- 52) Letter of Guarantee – ST DT 16
- 53) Instructions for use and maintenance – ventilators
- 54) Declaration of Conformity EC – ventilators
- 55) Certificate No. 00799/104/2/2002 – ventilator plus accessories (plus annex)
- 56) Declaration of Conformity – air-conditioning circular piping
- 57) Declaration of Conformity – anti-rain jalousie
- 58) Declaration of Conformity – self-acting valve
- 59) As-built surveying
- 60) Test of Conformity – concrete STN EN 206-1-C12/15-XO(SK)
- 61) Test of Conformity – concrete STN EN 206-1-C16/20-XO(SK)
- 62) Declaration of Conformity – HYDROBIT V 60 S 35
- 63) Certificate of Conformity Verification No. A 5.3/01/0855/1/C/C04 – plaster-fibre fire plate “RIDURIT”
- 64) EC – Declaration of Conformity – SIKAFLOOR 381 N
- 65) Product Certificate No. 00037/TSUS/T/2005 – interior coating substances “PRIMALEX”
- 66) Certificate of Conformity Verification No. 5301C/02/0352/1/C/C04 – synthetic anticorrosive primary paints
- 67) Certificate of Conformity Verification No. 5301C/02/0351/1/C/C04 – synthetic coating substances
- 68) Declaration of Conformity No. 0004-4-0503 – aggregate UHKT VP 0/70

- 69) Certificate of Conformity Verification No. 3902C/03/0355/1/C/C04 – acrylate plasters and coating substances “BAUMIT”
- 70) Certificate of Conformity Verification No. 2106A/02/0251/1/C/C04 – plates from extruded polystyrene “STYRODUR C”
- 71) Certificate No. P/03251/110/1/98 – pipes and completing elements from propylene PP-R / type 3)
- 72) Certificate of Conformity Verification No. 0901A/02/0005/1/C/C06 – pipes from unplasticized polyvinyl chloride PVC-C for vertical waste sewerage inside buildings
- 73) Certificate of Conformity Verification No. A 7.2/01/0086/1/C/C06 – pipes and shaped pieces from unplasticized polyvinyl chloride for underground non-pressure sewerage
- 74) Certificate of Conformity Verification No. A 10.11/01/0292/C/C03 – outlet fittings – lever mixers
- 75) Certificate of Conformity Verification No. C 6.1/01/0548/1/C/C04 – sanitary ceramic equipment – washbasins ANIMO
- 76) Declaration of Conformity – SIKAFLOOR 381 N
- 77) Certificate No. MR-20060515/01 – certification for application of passive protection systems “HILTI”
- 78) Certificate of Conformity Verification No. A 8.1/01/1388/1/C/C04 – anti-fire fillings HILTI CP 671 C/F
- 79) Certificate of Conformity Verification No. 5002A/02/0264/1/C/C04 – anti-fire fillings HILTI CP 636
- 80) Record No. 5/2005 – test of interior sewerage
- 81) Record No. 2/2005 – pressure test of the piping
- 82) Declaration of Conformity – concrete shaped paving (EN 1338)
- 83) Manufacturer’s Declaration of Conformity Verification - Hardware
- 84) Quality and Completeness Certificate – hardware
- 85) Quality and Completeness Certificate – bent reinforcement
- 86) Manufacturer’s Declaration of Conformity Verification – bent reinforcement
